DE SAINT-GALL
CHAMPAGNE

Behind the De Saint-Gall brand lies a history unique in the Champagne region. An exceptional terroir in villages whose names are music to the ears of connoisseurs. This precious heritage covers over a thousand hectares of Premiers and Grands Crus vineyards, all classified from 95 to 100% on the champagne "échelle des crus" rating system. It includes almost half the famous Côte des Blancs area, where Chardonnay reigns supreme, and some of the prestigious Montagne de Reims terroirs. The De Saint-Gall signature therefore quite naturally evokes the pure and elegant style of great champagnes.

Champagne Laurent-Perrier was founded in 1812, but the story is really one of modern renaissance. Family-owned yet internationally recognised as one of the foremost names in Champagne, their success can be attributed to challenging conventional techniques, whilst honouring traditional values.
