REIGATE MANOR

SURREY

A truly memorable experience that you and your family will remember forever

With its classic Georgian charm and fantastic central location within the stunning Surrey Hills, Reigate Manor is the perfect venue for any couple looking to tie the knot.

Set back from the road leading into the beautiful market town of Reigate, our 50 bedroom hotel has several different sized private rooms, which are all beautifully decorated and incredibly adaptable to suit all table arrangements and layouts. All of which are licenced to hold civil ceremonies, with our largest, the Ballroom Suite, capable of hosting host up to 210 guests.

Having helped countless couples organise their big day, our experienced and dedicated team of coordinators can offer a truly memorable experience that you and your family will cherish forever. Our operations team will ensure everything runs smoothly from the moment you arrive. Leaving you to simply enjoy the first day of your new lives together.

A wedding ceremony taking place in a ballroom. The bride, wearing a white lace gown and veil, stands between two men in military uniforms. The groom, also in a military uniform, stands to the right of the bride. They are holding hands. In the background, there are large windows with patterned curtains. The room is filled with guests, some of whom are taking photos. The floor is covered with a patterned carpet. The overall atmosphere is formal and celebratory.

Ballroom Suite

Making memories that will last a lifetime

Our Ballroom Suite is the perfect setting for a larger wedding. Capable of hosting up to 210 of your guests, our grandest room in the hotel is a popular choice with couples who simply can't take anyone off the guest list.

As well as being our largest room, the Ballroom Suite is also our most adaptable. Open up sliding doors either side of the room to reveal both the Club Room and Music Room. Perfect to seat additional guests, hide your evenings entertainment or perhaps a play area for the younger ones. The choice is yours.

As you enter the Ballroom Suite, you and your guests will make your way through the Library Bar. Your own, exclusive bar, dedicated to your wedding. This space can also serve as a great area for your guests to escape for a bit of peace and quiet.

A bride in a long, lace-trimmed gown and a groom in a light-colored suit are dancing in the center. A crowd of guests, including men, women, and children, are gathered around them, some taking photos. A young girl in a white dress stands near a stroller on the right. The room has a tiled floor and a patterned lampshade is visible in the background.

Garden Room

When choosing a venue, you want the very best

Capable of hosting up to a maximum of 125 guests, our Garden Room is by far our most popular setting for those with slightly fewer numbers.

With tall windows, garden mural, skylight and calming colour scheme, it offers a light and charming space for both your ceremony and wedding breakfast alike.

As with the Ballroom Suite, the Garden Room comes with its very own exclusive bar. Attached via two sets of double doors, the Study Bar is the ideal space for those looking for a quieter spot to retreat to during the evening entertainment.

Intimate Weddings

An intimate wedding with your closest loved ones

Not everyone requires a large open space for their wedding, preferring a smaller affair with just their closest loved ones in attendance.

Our two smaller wedding spaces are ideal for the perfect intimate wedding.

The Club Room serves as a grand space, with an original fireplace and ornate cornicing, whilst our Conservatory is a beautifully light and airy room with access to the Study Bar.
